% ATTENDANCE

Members should note that the 'other' meetings includes the Informal meeting on 18th February 2013, attendance at which is not recorded for the official table above. The other two are the Annual Statutory Meeting and the Precept Meeting

Attendance % at Committee meetings for Members not on that Committee is not calculated as it would require dividing by zero.

The total % attendance = number of meetings actually attended/number of meetings expected to attend (ie without the Committees the Member is not a member of) x 100. Some Members will have therefore attained extra points for attending additional meetings
