8. Chandos Park

To consider a request for more bins in the park:

Please would it be possible, as a matter of urgency, to put some more waste bins in Chandos Park?

The mornings after hot evenings there is SO much rubbish scattered everywhere which the dog walkers often clear up. The new bins on the lamp posts are far too small. One next to the table and seats by the river would help, and another by the little kick-around area. I realize that not all the youngsters will use them but at least they may be tempted to.

I know the guys from CGM are reporting the amount of rubbish, it makes their job very long on a Monday.

Thank you.
