### 3. Minutes

There have been no Interim Council meetings since May.

### 4. Motion:

Proposed by Cllr Harvey and seconded by Cllr Whyte, that this Council resolves to request the Town Clerk to explore options (as per our Parks Policy 'F10: The structure of the Heartlands should be improved to allow more variety of use – including more formal planting, an event space, art, etc. – to create a more coherent sense of place rather than just a green space to walk through') for creating an entertainment / picnic space involving options around a band stand type (modern or traditional) structure and/or terraforming an amphitheatre to be funded by s106 or NHB or such other external monies as can be secured.

### 5. Motion:

Proposed by Cllr. Whyte, that the town council considers the role of Milton Keynes hospital to be very important for the residents of Buckingham and North Bucks. It agrees that it should review and comment on the "Bedfordshire and Milton Keynes Health Review", particularly in the area of A&E services.

In light of last week's news of a £2.9m upgrade of Milton Keynes' A&E, hopefully this does indicate A&E has a secure future, but this should not negate the need to submit our concerns to the review. <http://www.miltonkeynes.co.uk/news/health/health-news/2-9million-investment-for-a-e-at-milton-keynes-hospital-1-6184245>
