Subject: Re: Lenborough Singers Banner

Dear Elouise,

This is so disappointing; the banner, assuming it can be displayed, will be promoting a concert, to be held on 25 June, that will raise funds for the Child Brain Injury Trust - a charity that provides support in our local community and others. I doubt many (if any) other advertisers are consistently donating significant sums of money to national and local charities all of whom have a positive impact on Buckingham residents. The Lenborough Singers recent track record of charitable donations arising from their concerts includes eg

March 2017 - Emily's Fund

(Meningitis Now) £1600

December 2016 - UCARE £1500

June 2016 - Willen Hospice £1750

Please will you raise this issue with the relevant Council Member(s) and let me know the outcome of their discussions. I would like on this occasion for an exception to the policy to be made and for the Lenborough Singers Banner to be displayed. I hope that the Town Council would be willing to make an exception on this occasion.

I look forward to your response.

Kind regards Morag Shaw

Good Morning

I'm afraid we have had no cancellations so the next space is still not until August.

Thank you for letting me know about the extra banners though, only one is booked, so the outdoors team will take the others down.

Thank you,

Kind Regards,

Eloise-Mary Medland General Administrator Buckingham Town Council 01280 816426

Subject: Lenborough Singers Banner

Dear Eloise,

My apologies for contacting you again but I was hoping that one of the organisations posting banners over the next few weeks may have cancelled perhaps? If so please may the Lenborough Singers have a slot either at the OG or the exit to Waitrose railings? Just for information at the moment there are 5 banners currently on display on those railings and only one at the OG. I am wondering whether you might have changed policy and it may now be possible to hang more than two banners perhaps?

Best wishes, Lionel

Could we please put the car boot idea on the agenda for TC& provisionally and I will pass over any response from AVDC.

Hi Chris

I await the feedback with interest. I can look out on the Hartridge site from where I'm sitting and I think it's going to be busy for a while yet (I expect development work to start soon). Another alternative might be Ford Meadow, also owned by the University, but car access from Bridge Street/London Road could be a nightmare.

Let's see what AVDC says. If they turn the idea down, I hope they give a reasoned argument.

Andy

Hi Andy,

I have sent information requests off to District I think that there is a need to obtain permission first. We have had a little discussion in the office of other potential site should AVDC say that a boot sale could be held, but no on their land. The other car parks aren't really bit enough to have the boot sale and for others to park (should they not wish to drive), Cornwall's Meadow is ideal for catching people's eyes as well. The only suggestion (without looking at fields which would possibly hamper the number of boot sales (bogged earth from previous days rain)) that would have enough space for sellers and buyers is the old Hartridge site (while the university are not developing it). I think it is important to see what the result of the requests are and then take it to the Town Centre and Events committee.

Hi Chris

As I said, it's early days yet and no volunteers have been recruited. One of the first jobs on that front might be to recruit a volunteer committee to assign some of the roles that you have described.

It's a little bit 'chicken and egg'; do we recruit volunteers first or get agreement in principle to the idea?

Suggestions via facebook are that it be held on Sunday afternoons but that's about it so far. My thoughts are that it would be a 'normal' car-boot sale with some sensible rules like: no new stuff, no electrical stuff, no blades. Getting advice from Trading Standards sounds like a very good way to start the ball rolling.

Anything else we could be doing to move this idea forward?

Thanks for your help

Andy

Hi Andy,

I have contacted Kerryann and will message AVDC over the car park. If you are able to provide who might volunteer – to put out the signs, collect the money and monitor what is being sold (will try and find some advice from Trading Standards). Also if there is anything else you might want to add for the Council to consider would be good.

Thanks

Hi Chris

Thanks for the prompt response.

In your opinion, what is the next step?

Should I contact Kerry-Ann or should it go before the Town Centre and Events committee first?

If it's the latter, what information do you need before the 3rd July?

Please bear in mind this is only a partially formed idea at the moment.

Hello Andy,

It is something that the Town Council could look into to manage, however, it would be good if there was a community/volunteer ownership of it.

There would need to be a check done with AVDC's Licensing team to ensure that it would be acceptable to hold a car boot sale (They may required some forms to be completed) — Kerry-Ann Ashton is our contact there KAshton@aylesburyvaledc.gov.uk. In addition AVDC own the car park and permission (and possibly a fee paid to them) would need to be agreed Martin Roberts is the contact in Estates who might be able to agree it.

I personally like the idea of setting it up in that area but barriers and closure signs would likely be required, as would the normal risk assessments and insurance.

If you would like any information, or a formal request to be considered by the Town Council then it would be considered by the Town Centre and Events committee, the committees next meeting is on the 10th July (I would need information for the agenda by the 3rd of July.)

If you have any other questions please just ask.

Subject: Possible Car Boot sale in Cornwall's Meadow

Hi Chris

Yesterday on Facebook I floated the idea of having a regular car boot sale in Cornwall's Meadow car park.

There was a reasonable amount of interest expressed and Jon Harvey suggested that I write to you so that the Town Council could consider the matter.

I thought that the lobe of the car park nearest the river could be used so that it would not interfere with regular car park users and that Sundays would be a good day because:

- the car park is pretty much unused on a Sunday
- car boot sales in neighbouring areas, notably Finmere, are on Saturdays
- it may attract more people into the town on a quiet day and provide a boost to those shops that do open on Sundays.

I was wondering if this is something that the Town Council would take on the management of or, if not, could they permit/support the running of such a sale by volunteers.

It would probably be sensible to start off as a monthly event to see how it goes and a nominal charge (e.g. £5) could be made to stall-holders which could go to a local charity, perhaps the Mayor's fund.

I'd welcome your thoughts on this.

Dear Mr Wayman

Please fly the Red Ensign for Merchant Navy Day

The Red Ensign is the official flag of the British Merchant Navy and those men and women on whom we depend to keep our island nation supplied with food, fuel and other imports.

Merchant Navy Day on 3rd September has been commemorated since 2000, but only for the past two years has it been the focus of our nationwide campaign to raise public awareness of our ongoing reliance on seafarers and shipping.

Flying the Red Ensign on a civic building or prominent flagpole provides an ideal opportunity for you to issue a press release with a photograph and to use your social media channels for publicity.

You may wish to arrange a flag-hoisting ceremony, inviting Merchant Navy veterans alongside your own councillors and local VIPs? In which case please feel free to read out the message of support from HRH The Earl of Wessex that is in the enclosed guide - along with plenty of other information.

Please let us know what you plan to do by completing the online form at www.merchantnavyday.uk

Participating parish, town and community councils will be added to a prestigious 'Roll of Honour' on that website. And all those who send us a photograph will receive a commemorative certificate.

On behalf of Seafarers UK may I thank you in advance for supporting this important initiative.

Yours sincerely

Nick Harvey Campaigns Manager

P.S. As Merchant Navy Day falls on a Sunday this year, you may wish to arrange for your Red Ensign to be flown from Friday 1st to Monday 4th September?

Hey!

Could myself and a friend DJ some light dance music and pop music Saturday 7th August in the market outside the Old Gaol?
