# 11/2004 PROPOSAL TO PURCHASE A LAPTOP COMPUTER UP TO £2000 FOR THE ACCOUNTS SYSTEM, INCLUDING ASSOCIATED SYSTEMS SOFTWARE AND BACKUP MODE

Cllr Mordue arrived during the following discussion

Members were informed that due to an incompatibility and lack of memory the Accounts system which is held on the Town Clerk's computer had been crashing, causing considerable problems. The system recently crashed during the year end balance forward not only corrupting the figures but scrambling the accounts which resulted in the software company having to undertake considerable work to rectify; resulting in the loss of the

accounting system for nearly 4 weeks. Since the new financial year has been inputted into the computer the system has "crashed" on 4 occasions.

Members discussed the problem and the purchase of an independent machine to hold the accounts package. Members did not feel this was a cost effective solution and requested that the Chairman and Clerk arrange for an evaluation of the current computer and report back to the Council at the Interim meeting to be held on 19<sup>th</sup> July 2004. Members were reminded that the Committee will not meet again until 27<sup>th</sup> September 2004 due to the summer recess.
