9. Motion from Cllr. Hirons: River dredging

That BTC writes to the Environment Agency and the Buckingham and River Ouzel Internal Drainage Board to request that they add to their dredging schedule the River Ouse through Buckingham. Buckingham is classified as a High Risk Area; the river was last dredged some 5 years ago and it is thought that this has led to improved river flow through the town. The low rainfall this year has led to silt build ups that need to be removed to keep that good flow rate.

10. Problems in the Old Town area caused by student behaviour.

To receive and discuss a complaint made by a resident about noise, unruly behaviour, litter and glass.
