Holocaust Memorial Day

1. Recommendations

1.1. It is recommended that members AGREE to hold a reflective, respectful and Covid-safe inauguration for the Holocaust Memorial Day stone on the 27th January which is Holocaust Memorial Day.

2. Background

- 2.1. The new Holocaust Memorial Day stone will be installed in Bourton Park over the next few weeks. The stone will mark the international Holocaust Memorial Day.
- 2.2. Holocaust Memorial Day (HMD) is the "international day on 27 January to remember the six million Jews murdered during the Holocaust, alongside the millions of other people killed under Nazi persecution of other groups and in genocides that followed in Cambodia, Rwanda, Bosnia and Darfur".
- 2.3. 27th January marks the anniversary of the liberation of Auschwitz-Birkenau, the largest Nazi death camp.

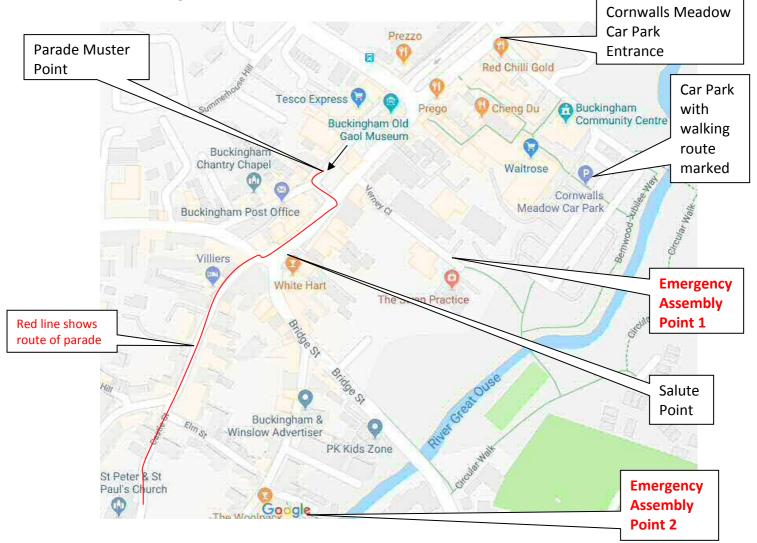

3. Inauguration

- 3.1. At the time of writing this report it is unclear what the situation will be regarding Covid. It is therefore recommended that the inauguration event be a small-scale outdoor meeting led by the Mayor.
- 3.2. All Councillors past and present will be invited (including Buckinghamshire Council).
- 3.3. A press release will be issued in the weeks before the event inviting people of Town to attend and asking them to respect the social distancing measures in place at the time.
- 3.4. The Mayor will lead the event. The Holocaust Memorial Day Trust have been contacted for advice on content.
- 3.5. The national event will take place online at 7pm. However, in order that it is light it is proposed that the Inauguration take place at 1100hrs.

Instructions for Buckingham and Winslow Scout District St Georges Day Parade 2022

The following instructions are provided to enable all leaders and young people to:-

- Know where and when they have to assemble.
- How they are to assemble.
- What they are to do during the parade.
- Location of Emergency Assembly Points

Locality Map

Any **Covid 19 Restrictions** must be enforced in line with guidance from Scout Association.

Parents and Leaders should be advised that cars should be parked in the Cornwalls Meadow Car Park before the street closure is in place at 13.15. Everyone will be directed to the assembly point by the safest route to allow free flow of traffic onto the site.

The parade will assemble in 1 rank facing Barclays Bank. As shown on the site plan.

The time given for assembly (13.15) is the time that everyone will be on Parade and ready to go. You should arrive in sufficient time to park, find your Group, section and fall in before this.

It takes time to assemble 300 people. If you and your sections do not ensure you are fell in at this time the parade will not start on time. This must be avoided as we have road closure in place at specific times. We need to step off at 13.30 to be in the church by 2:00pm.

Leaders are responsible for ensuring that their section are fell in, correctly dressed (shirts tucked in, buttons done up etc) and quiet. Standing correctly at ease. The order for falling in is shown later.

The Parade Master will call the parade to alert. The Union/St Georges Flag will fall in.

The Parade will depart from Market Square, Buckingham at 13:30 hours and process to The Parish Church, via Castle Street. The column will, (so far as is possible) be marshalled to the nearside except when turning right or passing obstructions. Town Council Staff will stop and/or regulate traffic, within the terms of an order from Buckinghamshire County Council, to avoid conflict between vehicles and those participating in the procession. The procession will enter the church grounds from Church Street

The standards will fall out, move to the head of the parade to form up at the entrance to the church. The parade will then move into the church and be seated by ushers.

When everyone is settled the standards will enter the church and be received. The standard bearers will then be seated.

During the last song/hymn the the standard bearers will recover their standards and form up in the aisle for the National Anthem. They will then leave the church and take their places for sections to form up behind them. Leaders and young people will then leave the church and reform up behind colours.

The parade will then reform outside the Church in the order listed below. The Parade Master will call the parade to alert.

The parade then moves off and returns to Market Square. As the parade passes the White Hart Hotel **a salute will be taken to the right.**

Arriving back at start point the parade will halt as instructed in one rank.

The parade will right turn and stand at ease. Everyone should stand correctly at ease with leaders ensuring sections are quiet. There may then be a few words by the DC or visiting VIP.

The parade will be called to alert.

The parade will be dismissed. This means turn to the right, pause, salute, pause, hand down.

Sections then disperse under their leaders to the care of parents/carers.

Emergency Procedure

There are 2 emergency assembly points for this event. See locality map.

- 1. Verney Close
- 2. Chandos Park

In the event of an emergency you will be directed to the designated Assembly Points. Please account for your section and keep everyone together where possible until advised it is safe to relocate or disperse. The order for falling in at Market Hill before the service is by section

District Standards (will fall in once parade is assembled)

Groups will form up in alphabetical order

Each Group to fall in the same order as below.

There follows a summary of the commands that will be given during the parade. Leaders are asked to go through these with their sections and have a practice if they have time.

Whilst it is accepted that we do not practice 'Drill' or marching all young people will be expected to walk smartly and do their best to stay in ranks.

<u>There will be a parade rehearsal for colour party on – Tuesday 19th April at 19.00-20.00 at Scout HQ Embleton Way. It is essential that standard bearers know what they are doing as this is key to the success of the parade. It will last for one hour.</u>

The following commands will be given at the parade, please go through them with your section so they know what to do. I have left it as simple as possible.

Contact Officer: Deputy Town Clerk

Review of recommendations from the 2016 Market Health Check

1. Recommendations

1.1. It is recommended that members note the report.

2. Background

2.1. In early 2016 the Town Council commissioned a report by the National Association of British Markets. The report made a number of recommendations of which the following were agreed by this Committee. The actions in italics are directly quoted from the report.

3. Report Recommendations

- 3.1. Buckingham market should remain in its current location on Market Hill and with the adjacent use of the Cattle Pens which gives the associated Flea market an aesthetically pleasing trading location. **This is the current situation.**
- 3.2. It may also be possible to include a catering unit on the market with some seating. This could play an important role in improving customer dwell time and usage. It is important that any catering offer is of a good quality both in terms of appearance and offer.
 There are two high quality street food venders attending the market (Feast on a Tuesday and Punjaban on a Saturday). They do not operate seating as they do not have the capacity to maintain it to Covid-compliant standards. Members of the public utilise the public benches instead.
- 3.3. Buckingham Town Council needs to focus resources on improving the offer of the market and increasing the number of stalls on Market Hill working with existing traders and incentivising as required in the short term.

Despite the impact of Covid 19 the market (weather permitting) is currently operating at capacity.

3.4. One such area would be improving the appearance of 'anchor/gateway 'stalls at access points to the market, including the access leading from the High street

The most eye-catching stalls are placed at these locations.

3.5. The communication channels between traders and market operator can always be improved. A strong open dialogue can only be of value in overcoming on site operational issues and ensuring traders promote the market and offer the service that is required. Its effectiveness can then be measured, perhaps through questionnaires, on-line surveys, through footfall or if possible trader information on the number of customers served.

This is a standard NABMA recommendation. However, the Market Manager is highly visible to traders and there is a constant and respectful dialogue.

- 3.6. It should continue to promote and use social media in promoting the market and in the recruitment of new traders and customers. The Markets now have a very successful social media presence. The Facebook page is well used and the Instagram account currently has nearly 7,000 followers. This is one of the main ways the market is promoted to new modern traders.
- 3.7. Once the market has been re-established consideration should be given to the production of an annual business plan. This need not be a lengthy document but should identify aims and objectives for the market for the year and how any marketing activity is to be undertaken. This activity takes place as part of the Market Manager's appraisal where goals for the year are set. Work to promote the market is now also undertaken in conjunction with the Town Centre Manager.
- 3.8. The appearance of the market can no doubt be improved. Closing down gaps can improve the market.
 The current gaps are there to aid social distancing and allow people to easily flow through the area.
- 3.9. The current policy of allowing a bi-weekly licence should cease. If the trader's concerned wish to trade bi-weekly as casuals then this is fine, subject to space been available though they should not have the ability to maintain a trading space as would a regular licenced trader.
 This isn't currently an issue but will be added to the market rules review report ready for the start of the new financial year.
- 3.10. Consideration should be given to re-enforcing the brand as part of a marketing review and on improving promotion and public relations through as many cost neutral processes as possible.
 The Markets have a distinct brand which is reinforced through social and conventional media by the Market Manager with the support of the Town Council's Communications Officer and the Town Centre Manager.
- 3.11. Another noted marketing tool in use in the town particularly on the roads and footways leading to a market was the use of vertical lamp column

banners. Engagement would be needed with both the controlling engineering team and planners to see if such banners could be placed on lighting columns to further promote the market specifically. The markets are the feature of one of the four new lamppost banner designs that are currently on order.

3.12. Work should continue in reviewing and updating all the market's systems and procedures with particular emphasis toward a market policy and new licence terms.
 This was completed, however the situation has evolved and the

This was completed, however the situation has evolved and the market terms are due for review. Proposed new terms will be bought to this committee ready for the start of the new financial year.

- 3.13. No traders should be allowed to stand if they do not carry sufficient public liability insurance with the current preferred amount of cover been £10,000,000. This should be checked regularly by the markets management and at least twice per year.
 This is the case for the Street Market however members did not want to place discourage small traders from attending the Flea Market by adding complications. Therefore, the Flea Market traders are covered by the Town council insurance.
- 3.14. The Town Council's own public liability insurance should be checked to ensure it is indemnified against actions or negligence that can be attributed to the market if not directly to a trader.
 Completed and needs to be considered when the Town Council retenders for a new insurance contract.
- 3.15. It is worthwhile establishing an annual visit by trading standards and environmental health officials with such visits been documented. Any trading standards involvement can be added to by the market joining the 'Real Deal' anti-counterfeit initiative which has no major cost implication but can again be a positive promotional activity and one to use on general awareness literature or web sites.

During the Covid crisis EHO have preferred to visit unannounced. The market does not currently have an arrangement with trading standards or have any involvement with the Real Deal campaign. However, there is little evidence that counterfeit goods are being sold on the market. No complaints have been made and there is a risk that by being involved with this campaign the public may be led to believe there is a problem.

Contact Officer: Sam Hoareau, Lace Hill Sports & Community Centre Coordinator.

Halloween Disco

1. Recommendations

1.1. It is recommended that Members agree to holding a similar event next year.

2. Background

- 2.1. A family Halloween disco event took place at the Lace Hill Sports & Community Centre (LHSCC) on Friday 29th October 2021 from 6 pm 9 pm. Due to the nature of the event whereby people were expected to stay for the whole duration, it was ticketed to adhere to capacity and fire regulations.
- 2.2. Tickets sold out in less than one week, they were available to purchase from the LHSCC and the Tourist Information Centre.
- 2.3. There were no tricks just treats for event-goers who enjoyed a full light display and DJ entertainment including lots of children's party games, a fancy dress competition, a craft room and a bar. Buckingham United FC volunteered to run the bar and they did very well.
- 2.4. A temporary event notice (TEN) was in place. Staff wore masks. Windows and doors were left open for ventilation and additional hand sanitiser was provided.

3. Budget

3.1. Tickets were sold at £6 per child, there was no charge for adults. In total 63 tickets were sold.

3.2.	Event	cost:
------	-------	-------

TEN	£21
DJ	£220
CRAFTS	£30
TOTAL	£271
Event Income	

3.3. Event Income:

Tickets	£302 after VAT

3.4. Three staff worked the event; the deputy town clerk, the LHSCC coordinator and the assistant.

4. Environmental Impact

- 4.1. Recycling bins were delivered the day of the event which was perfect timing.
- 4.2. Children had fun making lanterns out of used plastic bottles, we must have reused over 50 plastic bottles.

5. Evaluation

- 5.1. The event was a great success; it was within budget and we could have sold lots more tickets if the facilities allowed.
- 5.2. Feedback on the night was very positive.
- 5.3. The football club is very happy to support more events and contribute to the future cost of the temporary event notice.

Bonfire & Fireworks 2021

1. Recommendations

- 1.1. It is recommended that Members agree to using Titanium Fireworks again in 2022 and that they are booked as soon as possible.
- 1.2. It is recommended that additional entertainment is explored such as fire eaters, fire jugglers and that they put on a performance before the firework display.
- 1.3. It is recommended that the bonfire is lit at 18:00, an hour before the fireworks next year, to encourage people to arrive earlier to visit the stalls, and to enable more people to enjoy the bonfire. Titanium have advised that an hour-old bonfire would not detract from the fireworks.

2. Background

- 2.1. This year's Bonfire & Firework display took place in Bourton Park on Saturday 6th November.
- 2.2. The 10-minute display was provided by Titanium Fireworks who have provided the display for the last few years.
- 2.3. The Sealed Knot were unable to provide a display this year, as they were not able to get enough of their members together to take part.
- 2.4. After the fireworks, a torchlight parade was led by Mayor Cllr Margaret Gateley and Cllrs to light the bonfire. The torches had been soaked in paraffin overnight by Cllr Mahi. Some people left immediately after the fireworks, and more left as soon as the bonfire was lit.
- 2.5. The Green Spaces Team were busy all week building the bonfire using pallets that were been donated by local companies H G Timber and ORN International.
- 2.6. The 1563 Air Cadets helped to marshal the event in the evening.
- 2.7. This year Pegasus Mobile Bar attended the event and provided mulled wine and other beverages. The mulled wine provided very popular and sold out quickly.
- 2.8. The Civil Aviation Authority (CAA) were notified that the event was going to be taking place.
- 2.9. Fire extinguishers were loaned free of charge from Abbot Fire.
- 2.10. J & L Snacks were on hand selling hotdogs, burgers and hot drinks and David Side sold candy floss and sweets.
- 2.11. The Buckingham Table had glow sticks for sale.
- 2.12. Try US provided the PA and commentary for the evening.
- 2.13. The Events Co-ordinator, Deputy Town Clerk and Town Clerk arrived at 16:45 and checked that the stall holders were set up and that all was ok with them. They also checked on Titanium Fireworks and Try US.

2.14. J & L Snacks had spotlights on the top of their trailer, so they pointed them in the direction of the entrance to the paddock, so that people could see where they were walking as it was dark.

4. Environmental Impact

- 4.1. Titanium Fireworks have an Environmental Consideration Policy which states that they are committed to a long-term policy of Carbon Offsetting their footprint annually through an accredited approved worldwide scheme. In their policy they reference the following:
 - Eliminating the use of plastic in fireworks
 - Eliminating the use of singe use plastic in supply chain
 - Recycling of materials
 - Waste recycling
 - Transport

- Debris left after firing
- Noise
- Pollution
- Carbon Offsetting

Comments from Members of the public

I just wanted to email to thank the Town Council for the excellent firework display held in Bourton Park last Saturday.

The event was well organised and we felt safe from both the firework and Covid perspectives.

Please pass on my thanks to the Town Council for funding such an excellent event.

Me and my partner was there with our 9-month old son for him to see fireworks for the first time and it was great!!

We really enjoyed it and it was very well organised and I loved the no sparklers as people always get burnt and I don't like then especially in crowds

Maybe more food vans next time the line was very long.

Tim and I have just watched the fireworks from our house, where we have a grandstand view and Tim is not well enough to attend. I just wanted to tell you that it was the best ever and I would like to congratulate you and your team on a wonderful display

4 - Very Good

Please tell us more about your experience of the event.

I love that there is such a great display which is free it makes me feel a sense of community

Are there any improvements that could be made?

I did find the weird intro music a bit odd

Remembrance Parade 2021

1. Recommendations

- 1.1. It is recommended that the Town Council continue to support the Royal British Legion in 2022 with the road closure that is required for the parade.
- 1.2. It is recommended that Members agree to the hiring of a big screen again in 2022 if the British Legion wish to continue with this. (A budget of £1,000 has been included in the draft budget for 2022 pending this decision.)

2. Background

- 2.1. The parade is organised by the Royal British Legion. Buckingham Town Council is responsible for putting on the road closure and manning the barriers, as well as the civic party taking part in the parade
- 2.2. A county wide road closure is in place for this event and Buckingham is covered under it from 7:30am to 12:15pm. This is a rolling road closure.
- 2.3. In the days leading up to the parade, the Green Spaces Team cleaned the War Memorial and tidied up in the area surrounding it.
- 2.4. The Royal British Legion placed large poppies on the lampposts in the town centre.
- 2.5. On the day of the parade, the Green Spaces Team started at 7am. They got the signage and barriers in place ready for the road closure and then went up to the War Memorial and cleared the leaves from around it using a leaf blower.
- 2.6. The Events Co-ordinator and Deputy Town Clerk arrived at 8am to check for cars that had been left overnight at the War Memorial and in the Bull Ring and Market Hill where the parade was to form up at 10am. The area around the War Memorial was clear of vehicles so there was no need to report any vehicles causing an obstruction.
- 2.7. A briefing was held for all marshals at 9:45am and they were given their hi-vis vests and instructions with where they would be marshalling
- 2.8. The road closure went on at 10:15am to give enough time for the parade route to be clear of moving vehicles
- 2.9. The parade set off for the War Memorial and Church at 10:30am for the Service. The parade was followed by quite a large crowd of people.
- 2.10.The road closure is usually taken off once the parade safely reaches the Church. This year lot of members of public were unable to get inside the

church gates, so the closure was left on for the junction of School Lane/ Nelson Street and Nelson Street/Castle Street.

- 2.11.Mayor, Cllr Margaret Gateley laid a wreath on behalf of the town.
- 2.12. The Town Clerk, Mace Bearer stood alongside the dais with the Mayor. The salute was taken by the Deputy Lord lieutenant.

3. Hire of a Big Screen

3.1 462/21 Remembrance Sunday Screen

TC&E Committee minute 433.2/21

It is recommended that the Committee recommend to Interim Council that up to $\pounds 2,000$ be taken from the contingencies budget (132 4500) to hire a large mobile screen to show the Remembrance Sunday Service on the Church Green for those who are unable to see the event around the Memorial. NB: Updated costs for hire of a large screen $\pounds 1,687$

3.2. Members discussed options towards funding the hire of a large screen.

Cllr. Harvey proposed paying the full sum, ensuring a sign bearing the Town Council's logo was attached to the screen and that use of the screen was evaluated for future events. The Town Clerk explained that a new version of the logo, with hands underneath and the text 'supported by the Town Council' that could be utilised at the event.

Cllr. Stuchbury reminded Members that all events were evaluated by the Town Centre & Events Committee.

It was clarified that the Army Cadets had been invited to steward the relevant attendees to the Church Green.

Proposed by Cllr. Davies and seconded by Cllr. Stuchbury for the Town Council to fund the entire cost (£1,687) of hiring the screen to be taken from contingences budget (132 4500) In favour: 10 Against: 1 Abstains: 2 **Motion Carried**

3.3. In the event, the Buckingham branch of the Royal British Legion used £1,000 from the legacy of local supporter Peggy Dale and Buckingham Town Council provided the remaining £687 to fund a large screen at the Remembrance Parade this year.

3.4. The Parade is extremely popular, and the addition of a live feed of the event projected to the screen allowed residents to spread out and watch proceedings from a position further away from the War Memorial if they would like to.

Winter Fair Review

1. Recommendations

1.1. It is recommended that members agree to support a similar event next year.

2. Background

- 2.1. The Winter Fair at Lace Hill Sports & Community Centre (LHSCC) took place on Sunday 21st November 2 - 4.30 pm. As usual, £1 entrance per adult was charged to help cover the event cost. Stalls cost was £6.
- 2.2. Around 250 people attended including 115 adults.
- 2.3. The hall was busy with sixteen small local businesses selling a wide range of goodies from homemade jams, cakes, jewellery, bath salts, bespoke Christmassy gifts, books, resin crafts and more. There were some regular stallholders as well as some new faces, many from the local area. The majority of them did quite well considering it is a short event and would be happy to attend future events at the centre.
- 2.4. The committee room offered lots of free activities for children to enjoy including card making, clay crafts, and gingerbread decorating. Families also had fun completing a game together 'Where in the world is Santa' whereby photos of notable places around the world featuring Santa were hidden and they had to find them and also guess the country or place correctly.
- 2.5. The youth club Project Street Life had a free stall and helped to support the event by organising a refreshments stall. Stallholders were encouraged to donate a raffle prize on the day which was gifted to the youth club who ran the raffle and kept the funds raised which helped to cover their expenses. They raised £50.
- 2.6. A free stall was given to the Friends of Lace Hill Academy. They organised a bottle tombola which was a great success and they raised £130 to go towards new playground equipment.
- 2.7. A complaint was received from a guest who could not park in a blue badge space due to one of our stallholders who was parked in it. They used it to unload and never moved their vehicle afterwards. This is unfortunate but as soon as this was brought to our attention the issue was resolved.

3. Budget

3.1. The event cost:

Crafts	£20
Gingerbread decorating	£11.15
3.2. Event income:	

- Stalls & Entry fees £198.31 after VAT
- 3.3. Three staff members worked the event, the deputy town clerk, the LHSCC coordinator and the assistant.

4. Environmental Impact

- 4.1. The paper tea and coffee cups used to provide refreshments were put in the recycle bins provided.
- 4.2. The craft activities were made of paper, clay and food.

5. Evaluation

- 5.1. Usually we have some live entertainment and a children's character meet and greet which encourages a few more people to attend. This is something we would definitely reintroduce at next year's event.
- 5.2. Consider holding the event a little earlier in November because the festive season gets very busy from the end of November onwards with many higher profile events.
- 5.3. In the future secure more volunteers to help run and support the event who could help manage the door and take entry income which would free up a member of staff to oversee the running of the event.

BUCKINGHAM TOWN COUNCIL TOWN CENTRE & EVENTS COMMITTEE MONDAY 13th December 2021

Contact Officers: Amanda Brubaker, Events Coordinator, Sam Hoareau, Town Centre Manager

1. Recommendations

1.1. It is recommended that members note this report.

2. Background

- 2.1. This year's Christmas Light Switch On was scheduled to take place on Saturday 27th November in the town centre from 4pm – 8pm. Following a review of the event held in 2019, substantially more attractions had been planned, and the stage programme was to have been much shorter. A Christmas market with family entertainment had been planned and was to take place in the cattle pens before the main switch on.
- 2.2. The Christmas market would have started from 4pm and included a giant snow globe for the public to enjoy and take festive photos, ten stall holders, a juvenile swing ride, three food and drink vans, and live performances from a recorder ensemble and Buckingham Stagecoach.
- 2.3. The main event would have kicked off at 6.15pm with live music from the Winslow Concert Band. The lights were to be switched on by the Mayor, Cllr Margaret Gateley with the help of the Mayor's Chaplain, Rev Tim Edworthy who had both planned speeches. Sami Set, the Bard of Buckingham was also due to join them on stage and had written a poem as well as local musician Suzy Smith who was to lead the carol singing.
- 2.4. Local company Strawberry Fieldz were booked to provide a stage, sound and lighting for Market Square and additional lighting at the Cattles Pens.
- 2.5. Local company ALR were to provide First Aid.

3. Information

3.1 The Deputy Town Clerk, Events Coordinator and the Town Clerk started monitoring the weather a couple of days before, as a storm had been forecast for Saturday and wind gusts of up to 40mph.

- 3.1. Saturday morning there were snow showers and the wind was bitterly cold. At lunch time the Town Clerk, Deputy Town Clerk, and Chair of the Town Centre & Events Committee made the decision to cancel the event as the winds were picking up.
- 3.2. It was deemed that due to the weather deteriorating that the event could not be held safely and should be cancelled. A lot of other local events and attractions had also cancelled their events or closed due to the storm.
- 3.3. Specifically, the lighting rig that was booked could not have been safely installed, and the planned speakers would have had to be reduced, and only put at ground level. Sound levels have previously been a problem with the event, so this would likely have meant that the sound would have been insufficient for most attendees. The Flea Market had been cancelled earlier in the day, and Christmas Market stalls could not have been safely put out.
- 3.4. The Council put a notice out on social media to let members of the public know that the event had been cancelled. Most comments from everyone involved and the public were positive and supportive.
- 3.5. The Events Coordinator and Town Centre Manager called those that were to be taking part in the event to let them know that it had been cancelled.
- 3.6. An e-mail was sent to all Cllrs letting them know of the decision.
- 3.7. All those taking part in the event and Cllrs, had been notified by 2:45pm.
- 3.8. It was agreed by the Town Clerk and Chair of the TC&E Committee, that a member of the Green Spaces Team would go round and switch the Christmas Lights on at 5:30pm, Councillors Stuchbury and Davies were present in the town centre to let people who had not seen the cancellation notices that the event was not going ahead.

4. Budget

4.1. As expected, the cancellation of the event does mean that we have incurred a financial loss but it should always be safety first. The snow globe and stage were paid prior to the event. The band and first aid were due to be paid after the event.

5. Evaluation

5.1 The lights switch on event is a significant event in our calendar and lots of residents look forward to attending. It brings families together at a special time of year and to cancel the whole event is a shame. Given the information available at the time, the right decision was made on this occasion. The

Town Council holds over 20 outdoor events each year; inevitably some will need to be cancelled due to poor weather.

5.2A lot of staff time was spent planning an improved event for this year; it is hoped that much of that work will go towards a similar event next year.

Buckingham Town Council Climate Emergency Action Plan Update December 2021

Members are reminded that the Climate Emergency Action Plan is owned by Full Council and reviewed on an annual basis every March. Each Committee reviews Actions it is responsible for at every meeting and the Environment Committee receive a full copy of the Action Plan at every meeting.

Significant updates are marked in red.

At Full Council on the 15th July 2019 Members AGREED:

"That Buckingham Town Council declares a climate emergency and commits to encourage Buckingham to become carbon neutral. This will help to raise the profile of this vital issue and secure external support and funding. It is also proposed that Buckingham Town Council also signs up to the Covenant of Mayors to track our progress and link with towns around the world who are cutting emissions. Our aim is to make the Town Council carbon neutral by 2030 and encouraging the town's population, organisation and businesses to work with us in that aim."

Contact Officer: Paul Hodson, Town Clerk

Twinning Event

1. Recommendation

1.1. It is recommended that the Committee recommend the proposed five-year budget and revised ear-marked reserve, with any changes Members agree, to be included in the proposed budget for 2022/2023 for Full Council to consider at the Precept meeting in January 2022.

2. Background

- 2.1. A total of £4,000 is available to fund the event. This consists of £2,000 from 201 4260 "Twinning" and £2,000 from the ear-marked reserve 901 9063 "Twinning". The Community Centre has been booked from 9am to 4pm on Saturday 19th March 2022. The Centre can seat an absolute maximum of 120 people. It is proposed to seek quotes from caterers and appoint the best value provider for 120 people. It is proposed to allocate 40 places to Town Councillors, their partners and staff, with the remaining 80 places to be allocated by the Twinning Association, to members of the Twinning Association along with friends from Mouveaux and Neukirchen-Vluyn.
- 2.2. It is proposed that the preferred caterer is agreed by the Town Clerk in liaison with the Chair of the Committee.
- 2.3. The final programme for the event will be discussed and agreed by the Committee at its next meeting on 21st February 2022.

Twinning Signs

1. Recommendations

1.1. That members agree to fund the purchase and installation of seven replacement Welcome to Buckingham signs at a cost of £4,500 from budget 301 4104 Buckingham in Bloom.

2. Background

2.1 The Town Council will complete the second stage of the formal twinning with the German town of Neukirchen-Vluyn when a delegation visits the town in March 2022. This will also involve a delegation from Mouveaux, to mark the 20th anniversary of Buckingham's formal twinning with that town. A detailed report is provided separately. It is proposed to amend signage relating to the town's twinning arrangement with Mouveaux to include Neukirchen-Vluyn.

3. Fingerposts

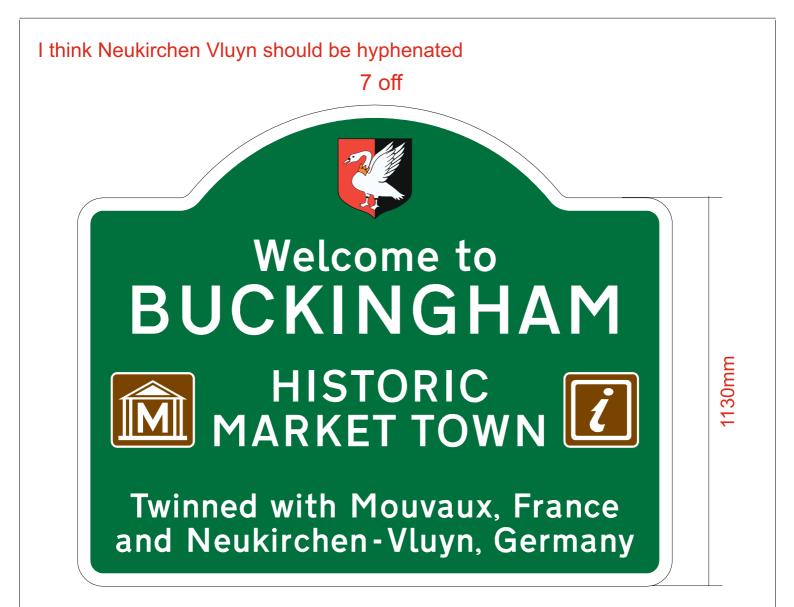

3.1 An additional finger for the direction sign outside of the Community Centre has been ordered from the Contingencies Budget 132 4500 at a cost of £326. The new yellow finger will point to Neukirchen-Vluyn.

4. Welcome to Buckingham Signs

- 4.1 The current Welcome to Buckingham signs were funded by the Town Centre and Events Committee following the town's formal twinning with Mouveaux in 2003. Buckinghamshire Council have provided an indicative cost of £4,500 for the supply and installation of seven signs, to replace the current ones.
- 4.2 The costing is based on the following assumptions:
- 4.2.1 It covers the replacement of the existing 'Welcome to BUCKINGHAM' nameplates with the new design at the following seven sites:
 - a) A413 London Road south of Needlepin Way junction https://www.google.co.uk/maps/@51.9867723,-0.9767718,3a,26.3y,149.31h,89.23t/data=!3m7!1e1!3m5!1sd2ezUeuu857 DwLJFpU4d2g!2e0!5s20180701T000000!7i16384!8i8192

BUCKINGHAM TOWN COUNCIL TOWN CENTRE & EVENTS COMMITTEE MONDAY 13TH DECEMBER 2021

Contact Officer: Paul Hodson, Town Clerk

Draft Budget 2022-2028

1. Recommendation

1.1. It is recommended that the Committee recommend the proposed five-year budget and revised ear-marked reserve, with any changes Members agree, to be included in the proposed budget for 2022/2023 for Full Council to consider at the Precept meeting in January 2022.

2. Background

- 2.1. Each year committees are provided with a draft five-year budget to consider before making a recommendation to Full Council. Full Council then considers the recommendations from each committee during the Precept meeting in January, where Full Council sets both the budget for the coming financial year and the five-year budget. In setting the budget for the coming year, Full Council agrees the precept the amount which the Town Council will raise through Council Tax. Committees are not asked to agree the general level of RPI increase or the salary increase, as these are matters for Full Council. The impact on Council Tax payers will also depend on the Council Tax base for the year.
- 2.2. for the A five-year budget has been prepared, to enable long-term planning. This is based on the budget agreed by the Precept Meeting in January 2021.
- 2.3. For information, the draft budget has been prepared assuming RPI of 3.5%, and allowing for a salary increase of 3.5%. If Full Council were to decide on different rates, the figures would be adjusted accordingly.
