

Public Transport

Catch the Bus

Catching the bus in Buckingham couldn't be easier with many services running from the nearby estates and villages such as Padbury, Maids Moreton and Gawcott. There are also regular services travelling further afield to towns and cities such as Oxford, Bicester, Milton Keynes, Aylesbury and Winslow.

In Winslow the Winslow and District Community bus provides services to the town and surrounding villages such as Swanbourne and Little Horwood. Operating regularly is service 50 to Newton Longville, Bletchley and Milton Keynes, and services 60/X60 which run to Aylesbury, Buckingham and Milton Keynes.

For details of routes and frequencies please see the bus frequencies panel on the right.

All bus timetables can be found at www.buckscc.gov.uk/travelinfo

Catch the Train

Central Milton Keynes Station is one of the nearby railway stations to Buckingham and Winslow, where passengers can catch direct trains to London, Birmingham and Manchester.

Other stations nearby include Aylesbury, Bicester Village, Bicester North, Bletchley and Wolverton.

To plan a journey please visit www.nationalrail.co.uk

Buses **X5** and **X60** travel regularly to Central Milton Keynes Station.

Active Travel

Walking

Why Walk?

Walking is a fantastic way to stay healthy; it's easy to fit into everyday life, it's free and doesn't require any equipment other than a comfortable pair of shoes.

Health and wellbeing

Inactive lifestyles are the greatest risk to today's generation, walking just 30 minutes five times a week can help reduce the risk of obesity, diabetes and heart disease.

Transport and environment

A journey of under two miles can be walked in around 30-40 minutes and would significantly reduce carbon emissions, congestion and improve local air quality.

Local economy

Walking brings high streets and communities to life, boosting our local economies.

To fit more walking into your day, why not:

- Park further away from your end destination and walk the rest.
- Get off the bus one stop earlier and walk the last part of your journey.
- Spend part of your lunch break taking a walk. Ask a work colleague to join you.

Cycling

Cycling is a great way to get around and explore Buckingham and Winslow, whether for the daily commute to work and school or for leisure. You will find a mixture of on- and off-road cycle routes, plus bridleways and permissive paths, all ideal for cycling, please see the maps for details.

Within the towns cycling can be quicker than by car for many journeys, it helps keep you fit and healthy and is cheap too.

For information and links to cycle events, campaigns and challenges please visit www.lovetoride.net/Bucks or www.buckscc.gov.uk/cycling

Buckingham to Winslow cycle route and footway

In January 2017 a 9km shared cycle and footway connecting the towns of Buckingham and Winslow will be completed. It runs along the A413 via Padbury. This is part of the A413 Sustainable Travel Scheme which will also upgrade three existing bus stops in Buckingham with real-time passenger information and Wi-Fi accessibility.

The scheme aims to encourage more cycling, walking and bus trips to the town centres; the planned east-west rail station at Winslow as well as other local destinations along the A413 corridor.
