

BUXPLORE

Buckingham's new heritage exploration app

Buxplore is a heritage exploration app produced by Buckingham Town Council and supported by a grant from National Lottery Heritage fund.

With lots of interactive routes around Buckingham featuring challenges, quizzes, historic photographs and audio tours, this app caters to all ages and abilities.

To download the app search 'Buxplore' on Google Play!

For iPhone users, visit buxplore.web.app through Safari and press 'let's explore' to play.

Visit www.buckingham-tc.gov.uk/buxplore-faq to answer any questions that you might have.

A few of the routes available now include:

HERITAGE FOR KIDS

A whistle stop tour of historic Buckingham for kids, answer questions to unlock the next location.

GREEN SPACES

Discover hidden green spaces you might not know about, with child friendly activities to try in each location.

HISTORY

This trail tells you curious historic details about town centre.

STOWE

Turn on the virtual mode to avoid low signal spots and explore the intertwined history of Buckingham and Stowe.
