5. Motion: Cllr. Harvey

To agree that the Town Council becomes a member of The Open Spaces Society.

The **Open Spaces Society** is a registered charity and has three main aims:

- To campaign for stronger protection and opportunities for everyone to enjoy commons, greens and paths.
- To defend open spaces against loss and pressures from development.
- To assist local communities so that they can safeguard their green spaces for future generations to enjoy.

It is Britain's oldest conservation body and depends on public donations to keep fighting for village greens, commons and footpaths for everyone to cherish and enjoy. They have been doing this since 1865.

As a Town Council, **we can join for £45 per annum** and gain useful help towards protecting our existing green spaces & paths and developing (and protecting) new ones. (The charity deals with well over 1,185 cases a year assisting communities, groups, and individuals in protecting their local spaces and paths in all parts of England and Wales.) We will also be supporting their valuable work.
