## 2023 Free Fun Public Art Sculpture Trail

Welcome to Buckingham Town Council's second temporary public art event. As you discover the swans why not pay a visit to some of our local shops and eateries? Buckingham is a picturesque market town with a variety of small independent retailers, high street shops and a fine selection of places to drink and dine.

To get the most out of your discovery trail day, scan the QR code on the map to learn more about the artists and sponsors behind this mass-participation art event. You can also follow the trail on our free Buxplore app.

A massive thank you to our kind sponsors who have contributed towards the event; the professional artists and schools who have worked tirelessly to design and paint a spectacular swan sculpture for your enjoyment, and everyone else involved in making this event happen. We hope you enjoy the trail!
