246/25 Motion: Cllr. Harvey

"This Town Council stands in support of the campaign to make play, parks, open spaces and playgrounds to be more designed for girls and young women, not just boys and young men, (see the [make space for girls website](#)), and we will make sure we consider and engage with young women and girls when developing and planning play activities and spaces (as well as others of course!) To this end, we agree to ask the Town Clerk to produce a report to assemble existing measures (including those detailed in the draft Neighbourhood Plan) and propose what more the Town Council might do in support of this campaign."

Cllr. O'Donoghue Seconded the Motion.

Members raised the following points:

- Could this be included on the Parks Policy?
- Youth Club members could be consulted on what they would like.
- The Environment Committee would be happy to consider this.
- Use the make space for girls website as a basis.

[Housing Strategy update July 2025](#)

248/25 Annual Governance & Accountability Return (AGAR) 2024/25

Members noted that the Council have today received the external auditor's report; it is therefore necessary to hold an Extraordinary Full Council meeting, prior to the Planning Committee meeting on 22nd September 2025, to comply with statutory timescales.

249/25 To receive the notes of the presentation from Buckinghamshire Highways on the updates to Railway Walk

Members noted the updates.

Cllr. Harvey asked about the necessity of the guard rail on the Bath Lane bridge. Cllr. Davies explained that from the survey of the bridge there had previously been a rail.

250/25 Badges

Members received a report from the Town Clerk.

1.1. It is recommended that Members choose from the three badge options.

BTC/06/25

Members raised the following points:

- How long will the ten badges be held (the Town Clerk explained that they are a long-standing company, and this is not a concern).
- The reduced price of the original badges now makes these a good option.
- Original badges can be difficult to read.
- The original badges last an exceedingly long time.
- We should not have a two-tier system; all badges should be uniform for Councillors.
- Magnetic badges have a habit of falling off clothing and they can be difficult to remove; they do however leave less marks on clothing than pins.

Cllr. Schaefer feels that we should have something that looks good and that it should be uniform. She Proposed that we order 5 badges that match the original ones, 4 of which will be used straight away.

Cllr. Schaefer amended her Proposal to 10 badges. Cllr. Harvey Seconded and Members unanimously **AGREED.** **ACTION TOWN CLERK**

251/25 Meeting with Stagecoach Representative

Members received a report from the Town Clerk.

- 1.1. It is recommended that Members agree that the Town Clerk, Mayor, and Cllr. Harvey meet informally with a representative of Stagecoach.

Cllr. Harvey informed Members that he has still been trying to contact National Express.

Cllr. Davies Proposed, Cllr. O'Donoghue Seconded and Members unanimously **AGREED** the recommendation.

252/25 To receive and question reports from Buckinghamshire Council Councillors

Cllr. Schaefer:

- Informed Members that the draft Local Plan has been presented to Cabinet and the decision was taken to go to the next stage of the consultation. The spatial strategy does not currently include any sites. She advised Members that they may like to comment on this individually or through Committee collectively.
- Sits on the Transport, Environment, Climate Change and Communities Committee which meets tomorrow and the above may be considered by this Committee. She is happy to raise any points.
- Has put a question to the Officers, in her role as a Cabinet Shadow Member for Transport, about flooding. The Flood Action for Buckingham Group raised this question.

Cllr. Stuchbury:

- Is now on the Committee at Silverstone
- At Council there was a Motion on environment and flooding which was agreed. The Motion on declarations of interest and expenses and this was defeated by a procedural motion, and it is now going to the Audit Committee.

BTC/06/25

- Attended several executive meetings on how it functions.
- Attended Health and Safety meetings.
- Attended several licensing meetings, including Street Trading Policy Licence.

Cllr. Harvey explained that he continues to try and get a fast coach service from Northampton through to High Wycombe, via Silverstone and Buckingham – is it worth raising this at the Silverstone Committee? Cllr. Stuchbury requested that Cllr. Harvey writes to him regarding this, and he will take it forward.
